

Accessing AWS Certification Official Practice Question Sets

CONFIDENTIAL – DO NOT DISTRIBUTE

AWS Academy offers a free self-service option for students and educators to gain valuable exam preparation using certification practice question sets. Educators and students access the AWS Certification Official Practice Question Sets through the AWS Skill Builder (<https://explore.skillbuilder.aws>). The practice questions feature 20 questions developed by AWS to demonstrate the style of our certification exams.

Step 1: Login to AWS Skill Builder

1. Navigate to <https://explore.skillbuilder.aws/learn>.
2. Choose **Sign In**.

3. Choose **Sign in to AWS Skill Builder**.

4. Select **Login with Amazon**.

5. Enter your personal Amazon login (mail or mobile phone number) and password, then choose **Sign-in**. If you don't have an Amazon account, choose '**Create your Amazon account**'. It is free to set up an Amazon account.

*A second screen may appear asking for you to Allow to Sign-In to T&C Identity Management Service. Choose **Allow to continue**.

Step 2: Enroll in the AWS Certification Official Practice Question Sets course (Practice Exam)

Now that you are logged in to AWS Skill Builder, the Learner Dashboard Screen or the Course Catalog screen displays.

1. Type in *AWS Certification Official Practice Question Sets* in the search bar and choose the magnifying glass icon.

Step 4: Register with Benchprep to access the practice question sets

The practice questions are hosted in BenchPrep. You will need to set up an account on amazonwebservices.benchprep.com.

1. Follow the on-screen instructions to access the BenchPrep utility to gain access to the question sets.

The screenshot shows a web browser window titled 'AWS Skill Builder'. The URL in the address bar is 'explore.skillbuilder.aws/learn/course/9153/play/30290/access-instructions-aws-certification-official-practice-question-set'. The page content is as follows:

ACCESS INSTRUCTIONS

To access the practice question sets:

1. Go to amazonwebservices.benchprep.com
2. Click "Redeem Access Code."
3. Enter this code: FQS-ENC18BB407EE
4. Follow the prompts to create a BenchPrep account using your first name, last name, and email address.
5. Enter BenchPrep's platform. The platform will launch the set of AWS Certification Practice Question Sets in your language.
 1. If you see the wrong language, change your language. Select the user profile icon at the top right corner of the screen. Then, select "English."

ACCESS PRACTICE QUESTION SETS

2. After you have completed the access instruction steps, a confirmation screen displays. Choose **Start Studying** to continue onto the practice questions.

The confirmation screen displays a large green checkmark icon above the text 'Confirmed! Let's get started.' Below this, it says: 'A confirmation email will be sent to you shortly, but you can also print this page for your records. To access your course(s), click the button below.'
